

Many Christians in the Church have never been shown how to step out in "God Ideas." But you can know and walk in God's pre-destined plan for you!

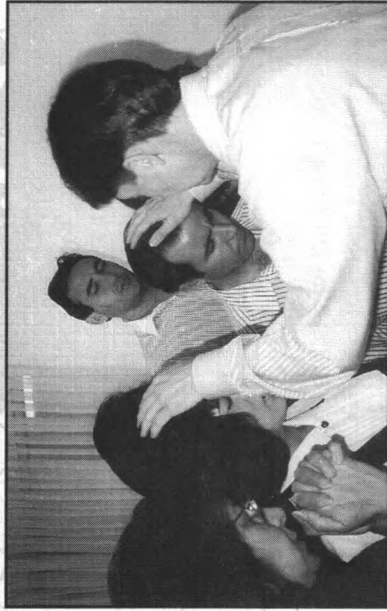

"Brethren, I do not regard myself as having laid hold of it yet; but one thing I do: forgetting what lies behind and reaching forward to what lies ahead, I press on toward the goal for the prize of the upward call of God in Christ Jesus."

—Philippians 3:13-14 NAS

God moves on men and women who are willing to step out in faith to do what He has called them to do.

THE FIRE OF GOD

As Eric teaches the principles of moving in God Ideas, the anointing of God falls and Holy Fire ministers to the needs of His people.

REVIVAL RENEWS A CHURCH

In March, 1996, Eric Swenson ministered in a small Brazilian-Evangelical church in Houston, Texas, and the fire of the Holy Spirit came upon God's people. In a church of only 55, there were 7 salvations. In one case, a woman was instantly delivered from drugs and alcohol. Another woman testified she was healed from a breast tumor. Both gave their lives to Christ. A man's heart was changed for his marriage. Several people were delivered from oppression, and others came forward and answered the call to serve Jesus within the Body.

The pastor said the church was "changed miraculously," and reports that miracles have continued to flow within his congregation.

Is your congregation ready to experience the fire of God—His destiny for you? If so ...

Would you prayerfully consider inviting Eric Swenson to minister to your people?

STEPPING OUT IN GOD IDEAS

Eric Swenson's medical recycling program was featured in an article in the New York Times in January 1996. But his program of sending the unused disposable surgical materials routinely discarded by US hospitals to developing countries is much more than a good idea — it's a God Ideal! These supplies open the doors to the nations and give favor with their governments, allowing Eric and others to hold healing crusades.

With the financial support and partnership of churches, corporations, and individuals across the US, Eric is turning these wasted supplies into saved lives ... not only saved in the medical sense, but also healed, delivered and set free from sin.

"The Spirit of the Lord is upon me because He has anointed me to preach the gospel to the poor."
—Luke 4:18 NAS

You know it's a vision from God when it's bigger than you are!
